

NEW R. R. PLAN ON OCEAN SHORE

**CORPORATION BEING FORMED TO
CONSTRUCT NEW TRANSPORTA-
TION LINE TO TAP SAN MATEO
CO. FARMING AND TIBER LAND**

Steps to form a corporation to build and operate a new interurban railroad over the roadbed of the old Ocean Shore Line from San Francisco to Pigeon Point in San Mateo county have been taken by San Francisco and peninsular interests.

Plans for the project to be known as the San Francisco and Southern railroad, were outlined in a meeting held in the offices of Attorney L. M. Hoefler in the Claus Spreckels building.

As set forth by Major Edwin W. Moore, superintendent technical engineer of the proposed road, the line can be built at a cost between \$1,000,000 and \$2,000,000 to tap the rich agricultural and timber district along the San Mateo coast to a distance of fifty-three miles.

The company, Mr. Moore pointed out, may use either gas or electric trains and handle both freight and passenger traffic.

Appointment of Horace Nelson, president of the Bank of Halfmoon Bay, as chairman of the general San Mateo county committee to arrange for subscription pledges of \$200,000 and rights of way, formed one of the most important actions in Wednesday's meeting.

Following the failure of the Ocean Shore railroad over the proposed route, Major Moore took occasion to point out that the old railroad had a capitalization of \$7,000,000 with a construction cost of \$4,500,000.

In the district it is estimated there are 8,000,000 feet of timber now standing, providing 10,000 carloads of lumber annually for shipment over the new line.

Among those present at Wednesday's meeting were:

James H. Bishop, San Francisco; John Lee Jr., San Francisco; J. L. Debenedetti, president of the Halfmoon Bay Artichoke Growers' Association; State Senator M. B. Johnson, Monterey; Harry Wagner, Halfmoon Bay; John McGrath, president Three Cities Chamber of Commerce; Daniel C. Imboden, secretary of the same organization; Horace Nelson, president, and M. J. Bettencourt, cashier, Bank of Halfmoon Bay; D. Duanda, known as the "Artichoke King," Halfmoon Bay; C. H. Widemann, timberman, Pescadero; Charles Cavali, merchant, Halfmoon Bay; C. F. Grondona, Halfmoon Bay; Dr. C. V. Thompson, Pescadero; J. C. Williamson, Pescadero; Alvin Hatch, Halfmoon Bay; M. Kreeble, Salada Beach; D. Torri, Moss Beach, and W. H. Grosskurth, hotelman, Moss Beach.

WARDEN ARRESTS TWO MEN WITH UNDERSIZED ABALONES

Game Warden Jack Burke arrested Mateo Pacheco of Halfmoon Bay and Ben Cardozo of Menlo Park last week at Moss Beach for having undersized abalones in their possession. Pacheco appeared before Justice of the Peace Ray Griffin in Redwood City Friday and was fined \$25.

BANK OF ITALY GIVES PRESENT TO EMPLOYEES

Something new in extra compensation plans has been evolved by the executive committee of the Bank of Italy, the announcement of this feature forming a holiday greeting to the bank's employees.

Instead of the usual Christmas or New Year's present in cash given to the members of the organization, the Bank of Italy has opened a special bank account for each eligible employee, and deposited therein a percentage of the annual salary based on each individual's length of service. Employees who have been in the service of the bank for one year receive 5 per cent of their annual salary as extra compensation, and for each additional year of employment 1 per cent is added until the figure reaches 10 per cent.

The constructive feature of this plan lies in the fact that withdrawals from these special accounts cannot be made until the annual compensation reaches 10 per cent. It is contemplated that this will permit each employee to accumulate a comfortable "nest egg" that may be profitably invested or devoted to some worth while project. The payment of a cash bonus, it is felt, lacks this constructive feature, and frequently proves of but slight or temporary benefit to the employee.

In addition to this extra compensation, the Bank of Italy provides life insurance for its employees, has an established pension fund of long standing and offers a generous sick benefit plan.

Johnson at Daly City, following their conviction by a jury of having killed a male deer out of season, was ordered dropped from the calendar in the superior court Thursday morning on motion of Attorney J. J. Bullock for the two convicted men.

The two men will pay \$200 each assessed against them by Judge Johnson, following their conviction of having killed a deer.

BIG DEVELOPMENT PROJECT FOR OLD TANFORAN RACETRACK

The San Francisco Journal of Commerce of Thursday carries the following story concerning a big new development project for the old Tanforan racetrack, just south of this city:

With unlimited capital behind the plan for the revival of racing in California at Tanforan, San Mateo county, sponsors said yesterday the sport probably would be in full swing at the opening of spring. Surveyors will be put to work in a few days, and in a short time the "dirt will begin to fly" in the construction of a thoroughly modern plant.

A. B. Spreckels, Rudolph Spreckels, A. K. Macomber, F. J. Kelly and other sportsmen and men of affairs are at the helm in the ambitious enterprise. It is understood the title to the race course where many a thrilling struggle was staged in the old days has passed from a San Francisco bank to the recently organized jockey club. The plant will have to be built from the ground up, as the grandstand, fences, gates and stables of the former course were removed some years ago with the abandonment of the track.

Estimates as to the cost of the building of the racing "headquarters" are said to be around \$300,000. It is reported each of the members of the jockey club will furnish his pro rata of the working capital.

A. B. Spreckels is the breeder of the undefeated Morvich, a colt the

fame of which has spread throughout the world, and other notable thoroughbreds. It was said yesterday that Mr. Spreckels' colors will be seen exclusively at Tanforan when racing opens at the home track. Two-year-olds now being trained at Pleasanton will be shipped East for sale with the exception of those to be kept in California for campaigning.

A. K. Macomber has been racing for some years in this country and France, and has entered a number of horses in the famous Epsom Derby. His colors are the well-remembered red and white stripes, so long those of Walter Jennings. Mr. Macomber took over the Jennings colors when the well-known retainer resumed the handling of the Macomber string in the United States.

As a test of the popularity of the sport after its long lapse, racing will be held every three or four days, or every week at first, according to the plans of the promoters. Later it is probable a meeting of ten or fifteen days will be held.

The sport will be conducted solely for the pleasure of the spectators with no wires going out from the track. It is said that any attempt of the "poolroom" interests to get a foothold will be frowned upon from the start. The members of the jockey club are confident the public will give unstinted support to the races.

YOUTHFUL BANDITS HELD AT REDWOOD

**Trio Arrested After Leading Officers
Long and Merry Chase**

Ansel Landis, Arthur Johnson and Jack O'Keefe, youthful bandits arrested by Sheriff Michael Sheehan, Under Sheriff H. W. Lampkin and Deputy Sheriff T. C. McGovern Sunday after an exciting chase were arraigned on Tuesday before Justice of the Peace Ray Griffin at Redwood City on the charge of having held up an automobile party consisting of J. W. Nelson, Edward Nelson and Carl Smith on the highway near Pescadero.

The men were instructed as to their rights and their preliminary examination set Saturday morning, January 10, at 10 o'clock.

The three were arrested Sunday afternoon after a chase of several hours. They were accompanied by two girls from San Francisco. They were finally overtaken by the officers near Crystal Springs lakes and arrested after they had abandoned their car and taken to the hills.

WE ASK YOUR INDULGENCE.

The Enterprise asks the indulgence of its friends this week because of the fact that it has been found impossible for it to appear in eight pages as usual. This office has been installing a new printing press with an automatic feeder, and moving an old one out and a new one in has taken so much time that getting out our customary issue has been impossible. The new equipment, now installed and working, will double our production of job printing and enable us to give our customers better service than ever before. It also again emphasizes our claim to having one of the best-equipped printing plants on the entire peninsula, a plant capable of handling anything from a calling card to a bound volume, "No job too big; no job too small." Take up your printing needs with this office and we'll guarantee your satisfaction with results.

The inconvenience caused by the installation of the new machinery is only temporary, and we'll be with you again next week with our usual eight pages full of bright, interesting reading.

FIRE FIGHTERS' FISTS FLY FURIOUSLY

**Department at San Mateo Stages Free-
For-All and Several Lose Jobs.**

Members of the San Mateo fire department staged a lively fist fight at the San Mateo fire hall Monday, and as a result several members have lost their jobs, while Chief of Police Tom Burke of San Mateo is now also temporarily fire chief.

The fracas started after a fire in Hillsborough Monday evening. It had been agreed between the Hillsborough and San Mateo departments that neither would go to a fire within the other town's limits unless needed and given a special call. By mistake somebody turned in an alarm to the San Mateo department for the Hillsborough fire. When the San Mateo firefighters arrived they were told by the Hillsborough chief they were not wanted, and the San Mateo chief, arriving at the fire in his own machine, also ordered his men home. An altercation, accompanied by black eyes and bruised faces, was started between the San Mateo chief and his driver, Frank Pease, and before it ended other members of the department had joined the melee, and gore spattered the immaculate precincts of the firehouse. Now San Mateo's city marshal is also the fire chief, and the classic city of trees 'n' flowers 'n' movie studios 'n' everything is looking for some additional members for the fire department.

Chairman G. W. Holston finally appointed Trustees F. A. Cunningham and A. J. Eschelbach a committee to co-operate with committees from the Merchants' Association and the Chamber of Commerce to see what could be done in the way of various civic improvement measures.

City Clerk Daniel McSweeney was instructed to write the Pacific Gas and Electric Company and secure if possible an additional light for the alley between Juniper and Armour avenues.

A communication from City Engineer George Kneese stated that the work of constructing a sewer crossing under the S. P. tracks near the Fontana macaroni factory had been completed and that \$919.39 was now due the contractor on the work.

Fire Chief B. H. Truax stated that a power line of the Market Street Railroad Company when wet sagged and came in contact with the fire alarm line at the corner of Grand and Magnolia avenues and caused trouble, and the city clerk was instructed to communicate with the street car company and request that its line be boxed at this point.

The application of John Brusco of the "Poodle Dog" soft drink saloon, which had been held up since last meeting, was granted on condition that he get rid of his partner, one A. Racchi. This Brusco promised to do.

Soft drink licenses were granted to Sam Bogdelas and George Frankos of 210 Grand avenue, Louis Poulos of the Star Restaurant, C. Steurman of the Armour Hotel, C. Stephanopoulos of the Juniper avenue grocery and H. Scampini of the Scampini confectionery, while the application of Ralph Ambrose for such a license for the E. F. Hotel was held over till next meeting.

TRUSTEES DISCUSS CIVIC IMPROVEMENT

**Andrew Hynding Makes Eloquent Plea
for More Trees, Better Street
Lights and Cleaner Lots.**

South San Francisco is to be given a general clean-up, scrubbing and shampoo, according to plans discussed at Monday evening's meeting of the board of city trustees. It has been reported from time to time that places where livestock was kept in town were in unsanitary condition and that hogs were kept within the city limits contrary to city ordinance. Recently a special officer was appointed, part of whose duties were to assist the health officer in keeping a watch on sanitary conditions in town, and Monday evening the health officer, Dr. J. C. McGovern, and Special Officer Bolloni were instructed to make an inspection of the town for unsanitary places and to keep their weather eyes open for any hogs that might be kept in unexpected corners. If any hogs are discovered, woe betide the keeper.

Unightly weeds and tin cans on vacant lots also came in for a share of the condemnation, while the lengthy discussion that developed turned into a movement to have the tree planting program started last year continued, and another to secure electrolit street lighting through the business section. The need here of more houses for factory employees also came up and provoked considerable discussion.

The movement for more tree planting was sponsored by Andrew Hynding, as was also that for electrolit street lighting. Mr. Hynding declared that this city would never attract the more desirable class of inhabitants until greater efforts are made here to clean up the town and beautify it as far as possible. H. Cavassa, president of the Merchants' Association, also spoke on the need of a better lighting system on the main street and also on the need of more residences in town. The cleaning of vacant lots of unsightly weeds and rubbish all agreed should be attended to without delay, and City Attorney J. W. Coleberd was instructed to look into the matter of the city forcing property owners to clean their lots or have the city do so at their expense. The city attorney stated that, without going into the matter more carefully, he believed off-hand the city could do this under a state law now in existence.

Chairman G. W. Holston finally appointed Trustees F. A. Cunningham and A. J. Eschelbach a committee to co-operate with committees from the Merchants' Association and the Chamber of Commerce to see what could be done in the way of various civic improvement measures.

City Clerk Daniel McSweeney was instructed to write the Pacific Gas and Electric Company and secure if possible an additional light for the alley between Juniper and Armour avenues.

John F. Quinlan was appointed traffic officer for Fourth township to take the place of Fred Vallejo, on motion of Supervisor Francis, seconded by Supervisor Brown.

The board then adjourned to January 9 at 110 a. m.

COLMA

COLMA TWINS MARRIED AT
BEAUTIFUL DOUBLE WEDDING

Sts. Peter and Paul Church in San Francisco was the scene of a beautiful and picturesque double wedding on Sunday, January 1st. It was that of Thomas Bocci and Miss Susie Bocci, twin children of Mr. and Mrs. Leopold Bocci, a well-known family of Colma. Thomas Bocci took as his bride Miss Edythe Giorgi, while Remaldo Luccetti took unto himself Miss Susie as a bride. The ceremony took place at 4 o'clock in the afternoon of New Year's Day, and the spacious church, which was tastefully decorated with greens and red roses, was filled with relatives of the three families and many friends who were present to witness the double wedding of the popular couples. While the prospective brides and grooms marched to the altar, the organ rendered the wedding march, and shortly afterward Mr. and Mrs. Thomas Bocci and Mr. and Mrs. Remaldo Luccetti were being showered with hearty congratulations and rice. The brides were dressed in white decollete gowns of satin and taffeta, embroidered with silk net maline flounces and draped with exquisite beaded spangles. Each wore a beautiful white veil and carried a bridal bouquet of white roses and lilies of the valley. Each couple acted as bridesmaid and best man for the other. After the ceremony the bridal group had their pictures taken in a downtown studio and in the evening a sumptuous wedding banquet was partaken of by almost two hundred relatives and guests at the New Buon Gusto Restaurant. Messrs. Pratt, McGilvray and Jensen acted as toastmasters, and many eloquent toasts were made to the newlyweds and presents galore were handed them. During courses and after the banquet dancing was indulged in to the strains of the five-piece jazz orchestra of the Bon Zora Club, and continued until an early hour. The newlyweds left on a northern motor trip, and upon their return Mr. and Mrs. Bocci will reside in Colma, in a beautiful new bungalow home on Mission road, and Mr. and Mrs. Luccetti will reside in San Francisco. That much joy and happiness may follow them through their lives is the sincerest wish of all their friends.

Ask About It!

Where did I see that before?

Oh, yes, in the store windows down town, also in The Enterprise.

What does it mean?

Well, it means that the South San Francisco Merchants' Association is going to give an entertainment and card party, January 18th, in Metropolitan Hall.

\$200 in Prizes to Be Given Away

Valuable drawing prizes are to be given away, making every ticket valuable.

For those who play cards, real prizes, prizes worth while playing hard to get, will be offered.

The proceeds of this entertainment are to go to establish an advertising fund, so that we may save our customers time and money.

Don't fail to purchase a ticket. If you have a ticket with the lucky number on it although you yourself are not able to be present you will receive the prize.
